Re : HUBBARD, first names Lafayette Ronald,  
St.Hill Manner, East Grinstead, Sussex.  
England.

I am directed by the British Representative to refer to previous correspondence concerning the above named and to inform you that enquiries have now been made through the American Embassy in London, who say that the above named is not wanted in America for drug smuggling.

He does appear to be, however, the subject of the Federal Bureau of Investigation File No. 244 210 B, a copy of which is attached for your information, but the exact charges and dispositions are not known. These are being applied for and when received a further letter will be sent to you.

Yours faithfully,

*a. mclean*  
for British Representative.
